Ladies Ride January 29, 2022

Save the date for a fun-filled day on
the trails with a great group of ladies.

The success of our events is directly related to the support we receive from businesses and individuals. If you know of a business or would like to donate a door prize or main prize for the annual rally or ladies' ride, please let one of our executive members know. Thank you!

Our club is dependent on the volunteers who donate their time to develop, maintain and manage our trail system, warm-up cabins, and fire-pit areas, along with all the administrative duties that follow.

A huge thank-you goes out to all those people who help keep our club and trail system operating.

Please keep your eyes open for upcoming work-bee dates, your help is greatly appreciated. If you are out on the trail system and see areas that need clearing, please let an executive member know.
